Communication Discussion

- What do you want from your teammates?
- What do you want from your coaches?
- What are your long-term goals for curling?
- What do successful teams do?
- What are you willing to do to make sure this team has fun and is successful?
- Describe how you think the team should communicate on the ice. Include as much detail as possible.
- Describe how you deal with failure? Everyone needs to share!
- Explain the role trust plays in the success of a team.
- **What are our common team goals?**

Before you hit the ice questions...

WHAT do you want from the skip when you make a shot? When you Miss?

WHEN do you want to hear from the skip when you make a shot? When you Miss?

WHAT do you want from your teammates when you make a shot? When you Miss?

WHEN do you want to hear from your teammates when you make a shot? When you Miss?
